Sir

GOVT. OF MADRAS

A district conference of Kisans (Ryots) of the South Kanara District was held at Kumbha on 17-1-1954. The conference having had a representative character representing ryots from almost all villages of the district, had adopted 7 important resolutions. The true copies of the same are herewith forwarded for your earnest consideration.

The conference was presided over by Sri. Dinker Desai the vice-president of Hind Mazdoor Sabha, who is also a member of the Servants of India Society from Bombay.

In addition to its routine deliberations, the conference had seriously noted the deteriorating conditions of the ryots in the district.

As an immediate measure to remediate the situation, I request that you and the concerned department under you, should take early steps to fulfill the unanimous demand of the ryots.

An early reply^{to} to the action taken may kindly be intimated to me.

Yours faithfully,

Abalappa

SECRETARY.

Hind Kisan Panchayat, South Kanara

Encls:- 1.

P.S.:- Your special attention is drawn to Resolution No. 4 and 5.

(South Kanara Dist. Unit)

Office,
K.S. Rao Road,
MANGALORE -1.
Dated, 1-2-1954.

Following are the Resolutions passed in the District Conference of Ryots, which held under the auspices of the Praja Socialist Party and the Hind Kisan Panchayat on 17th January, 1954 at KUMBLA:-

-----: RESOLUTIONS :-----

Resolution No. 1 :-

This conference after examining the provisions of the South Kanara Tenants' Protection Bill, 1954, are of the considered view that to give full effect to the intentions expressed in the Statement of Objects and Reasons and also to avoid hardships to many tenants the following amendment is absolutely necessary, and therefore urges that this amendment should be incorporated in the Bill without any delay.

Amendment:-

In clause 3(2) substitute "13-4-1953" in the place of 31-3-1953.

This amendment is necessary, as in the case of considerable number of Chalgani tenants the due dates for the annual payment of rent is Vishu Jankramana which usually is the 13th April.

(Sd) Dinker Desai
President of the
Conference.

Resolution No. 2:-

This conference demands the immediate introduction of a comprehensive tenancy legislation for South Kanara in view of the existence of peculiar land tenure systems in the District, and urges that this legislation should give adequate protection to the tenants in all matters and in particular with regard to fixity of tenure, fair rent and compensation for improvements effected by the tenants.

For further details regarding the nature of the tenancy legislation this Conference reiterates the various suggestions contained in the memorandum adopted by the District Conference of the Hind Kisan Panchayat held at Kasaragod on 16-5-1953, and urges that these suggestions should be incorporated by the Government in the Tenancy Legislation.

This conference further suggests that the Government may convene a conference at Mangalore of difference interests in order to discuss the various suggestions placed by us before the Government, so that the tenancy legislation might be enacted as early as possible before the expiry of the South Kanara Tenants' Protection Act., 1954.

(Sd) Dinker Desai
President of the
Conference.

Resolution No.3.

In the absence of early available Credit on reasonable terms, in the rural areas of the District, this conference urges that the Government should immediately introduce a State system of rural credit under which Creditors should be in a position to secure adequate loans on easy terms.

President of the
Conference.

Resolution No.4:-

In view of the fact that there is very considerable scope for the execution of small scale irrigation scheme in the District this conference urges that Government should undertake the execution of a small scale irrigation programme in which the following schemes among others should be included and executed immediately:-

1. Dam across the Payaswini River at Arayanadka in Karadka village.
2. Dam across the Shirlya River near Bombrana.
3. Dam across the Mogral river at or near Katakunja in Puttur.
4. Dam across the Tu-tige river at Yelkana in Coire village.
5. Dam across the Kendaaka river in Uparaka Mittur village of Puttur taluk.

(sd) Dinker Desai
President of the
Conference.

Resolution No.5:-

This conference view with grave concern the stoppage of the supply of the water for the 1st crop from Shirlya Anicut on the ground that the supply of water from the Anicut is ~~unnecessary~~ not necessary for the first crop. As a result of this stoppage the first crop suffers damage, the water is not wasted and also the ploughing of the 2nd crop becomes difficult as the soil gets dried and hardened during the period of the 1st crop. This conference therefore demands that full supply of water should be given for the first crop also.

(sd) Dinker Desai
President, of the
Conference.

Resolution No.6:-

This conference brings to the notice of the Government the prevalence of the different kinds of pests which effects and destroy the crops-saved by the ryots leading to great loss and hardship. The present facilities offered are too inadequate and ineffective and even these existing meagre facilities do not reach the ryot in time and the ryots themselves are too poor and often illiterate and lack the resources to obtain them. Therefore this Conference requests the Government of Madras to provide adequate facilities free of cost to the ryots for com-

- -bating effectively the different posts through the department.

(sd) Dinker Desai
President of the
Conference.
